Ines is a member of TGF's Restructuring and Insolvency practice group. She acts for debtor companies, DIP lenders, creditors and court officers in complex domestic and international restructurings and insolvencies. With a keen understanding of the complexities inherent in insolvency scenarios, Ines brings a pragmatic approach to resolving high-stakes disputes. She is committed to crafting innovative solutions that secure optimal outcomes for her clients, leveraging her experience in bankruptcy, commercial litigation, negotiation, and advocacy.

Drawing upon her background representing major corporations, lenders, trustees, and receivers, Ines is adept at navigating diverse stakeholder interests while advocating fiercely when necessary for her clients. Recognized for her passion and analytical aptitude, she is known for her ability to assess legal issues meticulously and devise strategic pathways to solving challenging situations.
